8 Last date for receipt of completed tender documents.—11th August 1969 up to 4-00 P.M.
9 Division to which the work is attached.—Dam Division, Right Bank, Hidkal Camp.

2 The tenders should be in the prescribed form obtainable from the Office of the Executive Engineer, Dam Division, Right Bank, Hidkal, District: Belgaum on payment of the amount indicated in Col. 5 (Non-Refundable) by cash or by money order. Cheques will not be accepted. If the tender documents are required to be sent by post, an additional amount of Rs. 5 per set should be paid in cash or sent by money order to defray the postal and other incidental charges.

3 Earnest money deposit will have to be paid in Government Treasury of the Mysore State to the head of "Revenue Deposit" and Challan thereof should be attached to the tender, without which, the tender will not be considered. The earnest money will not bear any interest. Contractors are also allowed to pay the earnest money in the form of interest bearing securities or Bank guarantees by Schedule Bank acceptable to Government along with Reserve Bank Concurrence. Contractors, who have deposited a permanent deposit of Rs. 50,000 with the Government of Mysore are exempted from payment of earnest money deposit while offering tenders only. Even such contractors, if successful, will have to deposit an amount equal to 2½% of the cost of the work put to tender as initial security deposit in cash or Interest bearing Securities acceptable to Government before executing the agreement.

4 For further details, please seek *Mysore Gazette* or apply to the Executive Engineer, Dam Division, Right Bank, Hidkal-Camp, District Belgaum.

5 The authority competent to dispose off the tenders shall have the right of rejecting all or any of the tenders without assigning any reasons thereof.

6 Authorised copies of the specifications, designs and drawings and schedule rates and any relevant documents required in connection with the work will be available for inspection by Contractors in the Office of the Executive Engineer, Dam Division, Right Bank, Hidkal-Camp, during office hours.

7 It is most important that the contractor should make his own arrangements for the necessary machinery, tools and plant required for successful completion of the work tendered for. The Department may supply any machinery if available on request by the Contractor at the discretion of the Department on terms and conditions as may be decided by Government from time to time

B. A. RADDI,
